

Freeze Pop Fridays – Form 6 Fundraising Guide

Freeze Pop Fridays (FPF) are an opportunity for Form 6 pupils to raise money towards their Leavers' Celebration at the end of the school year.

How it works

- FFH will supply all freeze pops and ensure the freezer is fully stocked each week.
- Form 6 pupils, supervised by Form 6 parents, will run the sale after school on Fridays throughout the summer term.
- All revenue from Freeze Pop Fridays run by Form 6 will go directly towards the Form 6 Leavers' Celebration.

Float and Payments

- FFH will provide an initial cash float of £30 for the first one or two sales until a suitable float can be maintained from the proceeds of previous sales.
- Once Form 6 has established its own float from sales takings, the original £30 float must be returned to FFH.
- FFH will make a SumUp card machine available for card payments.
- The minimum card payment is £1.
- Form 6 parents will retain all cash takings from the sales.
- Card payments will be received by FFH and transferred to the Form 6 fundraising fund at the appropriate point, upon request from Form 6 parents.

Weekly Reporting

To help keep track of fundraising progress, Form 6 parents are asked to provide a short weekly summary showing:

- Total cash sales
- Total card sales
- Any notable issues or stock requirements

If Form 6 cannot run a sale

If Form 6 pupils and parents are unable to run Freeze Pop Fridays on any given week, FFH will organise and run the sale instead. In these circumstances, all

revenue from that week's sale will be retained by FFH to support future fundraising activities for the school.

Other Ice Cream Sales

FFH will also run ice cream sales at Sports Day and HighFest. Revenue from these events will remain with FFH and does not form part of the Form 6 fundraising total.

After the Leavers' Celebration

Following the Form 6 Leavers' Celebration, FFH will continue Freeze Pop Friday sales for the remaining Friday(s) of the summer term. Revenue from these sales will go directly to FFH.

Thank You
